

“Working with Jim Bowen is a ‘no-brainer.’ Jim found over \$200,000 in additional write-offs for my two companies.”

■ Brian Wilmovsky, DC

“Jim Bowen unwittingly has become the best practice coach I have ever had in the eight years I’ve been in business.”

■ Peter Carr, DC

“My new accountant delivered the news that I was going to pay \$50,000 less in taxes this year, thanks to Jim. But the best news is how I feel about my practice now. It’s earning money again without making any legal or ethical compromises.”

■ Phillip Kriss, DC

# Bowen

James Morgan Bowen, J.D., is the nation’s top business chiropractic consultant.

James Bowen, J.D., combines his legal, business and consulting expertise to help chiropractic businesses become more efficient – minimizing tax obligations and maximizing net earnings so that owners retain more of their gross income as net income. **There’s no one else in the country – no practice manager, accountant or attorney – that provides the scope of services that Jim does for chiropractors.**

For a free consultation, please call 406.370.9900 or email [jmb@bowen.us](mailto:jmb@bowen.us). Visit [www.bowen.us](http://www.bowen.us).

“In this time of uncertainty, it is more important than ever to structure your business and personal finances to insure increased profits and protection from loss. It is time to get serious about the business of your practice.”

– James Bowen, J.D.
